Hyundai España chooses PROSODIE for the www.hyundai.es managed hosting service

28 May 2010, Madrid:

HYUNDAI MOTOR ESPAÑA has chosen PROSODIE to handle the complete managed hosting service of its new site www.hyundai.es.

The very unique turnkey project is fully designed to suit the customer's specific needs. HYUNDAI required a system that was robust, efficient, scalable and capable of supporting high connectivity peaks, all within a lead time of no more than 72 hours.

PROSODIE Ibérica offers a managed hosting solution which includes all of the services that the Korean brand needed for Spain: System Administration, Network Administration, CPD services (Backup, monitoring, etc.).

The web page offers the visitor some options to personalize the vehicle: change the colour of the car, interactive catalogs, or load on the GPS the localization of the concessioners net. The navigation is thought in order that the visitor can find lots of information at any time in a quick and easy way.

PROSODIE's hosting services allow their customers to carry out any kind of business online without the need for their own web infrastructure. As well as benefiting from all of the advantages of having direct access to an internet backbone, all of the services PROSODIE offers its CPDs are also available, such as availability and bandwidth guarantees, security, IS and technical support and 24-7 monitoring.

About PROSODIE

As a service operator offering IT and telecoms expertise, Prosodie designs and hosts multi-channel online services for remote access to information and interactive data exchanges. With many major companies benefiting from Prosodie's services, the company works in the fields of multi-channel customer relations, facilities management for critical and sensitive systems and applications, IP telephony and prepayment systems and other services for telecoms operators. With offices in France, Spain and Belgium, the group achieved consolidated revenues in 2009 of €166.2 million, with an operating profit of €24.1 million, and had 863 employees at 31 December 2009. In October 2009, PROSODIE maintained its AFAQ ISO 9001 v2000 certification to cover all of its activities throughout France.
